# TIRE PRESSURE CHECKS MADE EASY

with

EXCEL DIGITAL AIR MACHINES

## EASY AIR

### PNT 4 AUTOMATED SYSTEM

Automated high-precision calibration that is quick and consistent.  
It inflates a tire within 0.5 PSI of the desired pressure

#### Features:

- Modern and durable design
- Constant illumination LCD screen
- 30ft coil hose
- Easy to install -- 110V
- ETL/ CSA to UL listed standards
- "Hands Free" lock on chuck
- 2 year limited warranty

#### WHY THE PNT4?

- Increase technician and shop safety while reducing liability
- Reduces service time
- Eliminates the need for manual gauges
- Standard operating procedure for checking and calibrating tire pressure
- Works with existing shop compressor
